**Dependent**

Dependents are:

- your lawful spouse; or
- your Domestic Partner; and
- any child of yours who is:
  - less than 26 years old.
  - 26 or more years old, unmarried and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical disability which arose while the child was covered as a Dependent under this Plan, or while covered as a dependent under a prior plan with no break in coverage.

Proof of the child's condition and dependence must be submitted to the Plan within 31 days after the date the child ceases to qualify above. From time to time, but not more frequently than once a year, the Plan may require proof of the continuation of such condition and dependence.

The term child means a child born to you or a child legally adopted by you. It also includes a stepchild.

If your Domestic Partner has a child, that child will also be included as a Dependent.

Benefits for a Dependent child will continue until the last day of the calendar month in which the limiting age is reached.

Anyone who is eligible as an Employee will not be considered as a Dependent spouse. A child under age 26 may be covered as either an Employee or as a Dependent child. You cannot be covered as an Employee while also covered as a Dependent of an Employee.

No one may be considered as a Dependent of more than one Employee.
