E. AUTHORIZATION

I certify that the information I have provided is true and correct to the best of my knowledge. I understand that any false statements could result in termination of coverage for me and any of my dependents. I understand that it is my responsibility to report to the Company any changes in the eligibility of my dependents within 60 days of such change(s).

I agree to be governed by the terms and conditions of the plans in which I have enrolled. I understand that if my initial enrollment is received by the Company prior to my first day of employment, coverage elected is generally effective on my first day of employment. If my initial enrollment is received on/after my first day of employment, but within my 60-day initial enrollment period, coverage elected is generally effective on the date my enrollment is received by the Company. Likewise, if my requested change due to a qualifying event is received prior to the date of the qualifying event, the requested change is effective on the date of the qualifying event. If my requested change is received on/after my qualifying event, but within my 60-day change period, coverage changed is generally effective on the date my change is received by the Company.

I authorize the Company to deduct pretax and/or after-tax contributions from my earnings now or in the future as required under each of the plans. I also understand that if my paycheck is not sufficient to cover my contributions, the Company may, in its sole discretion, automatically collect any such payment(s) from a future paycheck(s).
