

Need help with your retirement savings?

Through Marathon you have two options.

Online Advice

You do the work

A Web site with help if you're already actively managing your account:

You log in to build your plan and fine-tune your investing strategy

You get advice about which investments to select

You check back regularly to make sure you are on track

Go online to get started

1. Go to www.401k.com to log in to your account
2. Click on the Financial Engines link to access your account

Fees—No additional cost to you. This is part of your 401(k) plan benefits.

or

Professional Management

We do the work

A personalized plan and ongoing help from independent experts:

We create your retirement strategy for investing, saving, and retirement income

We work with your provider to put your plan into action and help keep you on track

Our professional advisors are there when you need more help

Two ways to get started

- Visit www.financialengines.com/forMarathon
- Call your plan's service provider, Fidelity Investments, at **1-877-401-5762**

Fees—Through Marathon, the annual program fee is 0.60% of your managed account balance (about \$5 per month for each \$10,000 in your account). Discounts for balances over \$100,000.
