

Maintenance Medication

Affected Prescriptions: Those taken on a regular basis to treat/prevent a condition. Examples of these would be cholesterol, blood pressure, and birth control medications.

Requirement: Two 30-day fills at retail are covered; no coverage for 30-day fills starting with 3rd fill. To continue receiving benefit from the plan, 90-day fill must be obtained.

Options for 90-day fill: 1) Express Scripts Home Delivery mail order
2) Smart90 Walgreens

Special Consideration – North Dakota

North Dakota has no chain pharmacies within the state due to a unique pharmacy law that protects local businesses. This means that there are no Walgreens pharmacies available for use of the Smart90 Walgreens program. As a result, several pharmacies in the areas of Dickinson, Mandan and Bismarck have been invited to join the Smart90 network. Eight have agreed to participate. They can dispense the same maintenance prescriptions as Walgreens and Home Delivery at the same cost.

Pharmacy	Address	City	Zip	Phone
Clinic Pharmacy	2615 Fairway St	Dickinson	58601	701-483-4401
